

CARLOS TOWNSHIP RESOLUTION NO. 2018- 12

ORDERING IMPROVEMENT AND PREPARATIONS OF PLANS – CARLOS TIMBERS EAST

WHEREAS, BY RESOLUTION OF THE Carlos Township Board of Supervisors, formally adopted May 10, 2018 a date was set for a hearing on the proposed improvement consisting of bituminous surfacing of Carlos Timbers East;

WHEREAS, Notice was mailed to all affected residents on May 14, 2018 and published notice on ~~June 1st and~~ June 8, 2018, the hearing was conducted on June 12, 2018 and all person wishing to do so were given an opportunity to be heard.

WHEREAS, information was received that some lots had been combined for tax purposes which at first appeared to lower the number of parcels assessed. However, these lots can be sold separately from the ~~parcel~~ number(s). All lots versus parcels will be charged an assessment. This does not include any lots that have been vacated by court order.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF THE TOWN OF CARLOS, MINNESOTA:

1. The improvement as detailed in the feasibility report is cost-effective and feasible
2. The improvement is hereby ordered.
3. Jeff Stabnow, Civil Engineer is hereby designated engineer for this improvement and is directly to prepare plans and specification.

Adopted by the Carlos Township Board of Supervisors this 14th day of June 2018.

Rodney Meyers
Rodney Meyers, Chairman
Township board of Supervisors
